

Stanton Downtown Development Authority

Request for Cost Estimates

The Stanton DDA is seeking cost estimates to create a metal hornet resembling the Central Montcalm hornet to display in the downtown area.

Project Specifications-

- Hornet must be created out of metal
- Hornet must be approximately 8 feet tall
- Hornet must be 3D
- Hornet must be painted/sealed in Central Montcalm school colors
- Hornet must have the ability to be bolted down

Please include the following with your cost estimate-

- Proposed timeline to complete hornet
- Information on project material (metal, paint type, etc.)
- Proposed height and width of hornet
- Total cost of hornet
- Whether delivery is included or not
- A few pictures of other metal projects you've done

Cost estimates must be submitted by February 16, 2026.

Cost estimates should be submitted to City Manager Rachael Coffey.

Email : rcoffey@stantononline.com

Drop off : Stanton City Hall, 225 S Camburn St. Stanton, MI

Mail : PO BOX 449 Stanton, MI 48888

Please contact City Manager Rachael Coffey with any questions at (989) 831-4440.

Specifications of Display Area-

Triangular area with the below dimensions.
